July 28-30

Aug 4-6

Aug 11-13

How have you volunteered for Gallery in the past?

What directing experience do you have?

Continued on pg. 2

Why would you like to direct a Kaleidoscope show?

Being a successful director requires many skills, including being able to express your vision, multitasking, meeting deadlines, and working collaboratively. List things you have done that highlight your skills in these areas and any others you feel are relevant.

Do you have any scheduling conflicts or other obligations during June, July, and August that we should be aware of? Do you have a preference on which weekend of Kaleidoscope you would direct?
