This beloved tale, in which a Kansas farm girl travels over the rainbow, has been entertaining audiences for generations. Featuring the songs from the MGM movie, *The Wizard of Oz* is the story of Dorothy Gale who, like so many girls her age, dreams of what lies beyond her unexciting life. One day a twister hits her farm and carries Dorothy and her dog Toto over the rainbow to the magical Land of Oz. As she travels down the Yellow Brick Road toward the Emerald City, she is joined by the Scarecrow, Tinman, and Cowardly Lion. Together they seek The Wizard of Oz to help Dorothy get back to Kansas, learning there's no place like home.
