Show Synopsis

Nick is a single, Italian-American man from New Jersey. His parents have retired and moved to Florida. That doesn't mean his family isn't still in Jersey. In fact, he sees both sets of his grandparents every Sunday for dinner. This is routine until he has to tell them that he's been offered a dream job in Seattle which would take him away from his beloved, but annoying, grandparents. The news doesn't sit so well with them. Thus begins a series of schemes to keep Nick around. The grandparents do their level best, and that includes bringing to dinner the lovely - and single - Caitlin, as bait.
