A big 'Thank You!' to all who auditioned. I was truly impressed. If you are willing to help in other capacities we could use your talent and energy! This show has a lot of important props and costumes. If you would like to be present at rehearsals to study a role, please let me know.

Attention Cast: You will be required to pay a \$25 refundable script/libretto fee (checks payable to Gallery Theater) which will be returned when scripts are returned clean of pencil marks and in good condition. **You may pick up/pay for your script at the box office beginning Monday.** Gallery Box Office hours next week are Monday-Thursday 12:00-6:00 p.m. Normal Box Office hours are Tuesday-Friday 12:00-6:00. Please get your script asap or before 7/7.

We are going to have a show rehearsal CD purchased from the licensing company which we can burn onto as many hard-drives as we want. If you have a laptop, please arrange to bring it to the theater for getting this. Our first musical read-through will be **Thursday, July 7th, 7:00-9:30pm. (Arrive by 6:45, downbeat at 7:00. SW and SB don't need to arrive until 8:45pm.)** Please have all of your notes and rhythms learned. I will be expecting an accelerated learning curve, so please plan on investing in private music coachings (I can make recommendations if needed) and using your loved ones to run lines.

Thank you,
Natalie
