About the Show

Pivoting around the lively Truvy Jones' Louisiana beauty salon, *Steel Magnolias* follows a tightly knit group of women as they navigate life's joys, griefs, and unexpected challenges. Through humor, honesty, and deep friendship, they face it all together.

Helped by her eager new assistant Annelle, Truvy dispenses shampoos and free advice to a colorful group of regulars: Ouiser, an eccentric millionaire; Miss Clairee, the town's elegant grande dame; and M'Lynn, a devoted mother, along with her daughter Shelby.

Steel Magnolias is an enduring story of friendship, resilience, and love, told with both laughter and heart.
