About the Show

Set in 1929 Berlin, *Cabaret* explores life inside and outside the seedy Kit Kat Klub as the city stands on the brink of the Nazi rise to power. Through the eyes of American writer Cliff Bradshaw and the captivating English performer Sally Bowles, the story weaves together themes of love, survival, and moral compromise in a time of political and social upheaval.

Bold, provocative, and deeply human, *Cabaret* asks us to consider what happens when we choose not to see what is happening around us.
